

Catastro Adventu

Learn about our Earth's catastrophic past: **Volcanos, Tsunamis, and Earthquakes!** Jim Clarke, Resident Geologist of AzOSA, along with Mr. Tom Olson of Geology for Kids and other expert educators will lead this fun-filled adventure in learning.

Start the **fun-filled** day with **hand's-on demos, activities, games** and **snacks**. Then take an **afternoon hike** to see the evidence of volcanos. Bring your own lunch. Limited transportation available.

Kids, Families, Adults and Retirees Welcome!
This is an event for EVERYONE!

When: Monday, March 14: 8:00 - 4:30

Where: First Baptist Church (FBC) of Benson, 983 S. Ocotillo Ave

Fees: \$5 per person, plus admission to Picacho Peak (\$7 per car) *Scholarships are available but limited.*

Reservations are requested: Contact the office at First Baptist Church to register, reserve transportation, or with any questions: **520-586-3362** or **bensonfbc@qwestoffice.net**

Limited Transportation is available for Benson and J-Six.

Looking for a more technical presentation geared towards Junior High to Adults?
